

## Facials

Here at Brighton Holistics we are pleased to be using Pharmagel products for our facial treatments. By using a combination of products tailored to your needs and combining them with therapy techniques, Pharmagel's luxury intensive facials deliver outstanding results for a healthier and better skin.

Here at Brighton Holistics we offer the following treatment

### **Anti-Aging Vitamin Intensive rejuvenating Facial 60 minutes £45**

The most popular Pharmagel treatment. A relaxing and rejuvenating treatment that tackles all forms of aging and helps towards anti-aging. Your skin will be left with an improved tone, resilience and elasticity after only one treatment.

### **Acne Treatment Facial 60 minutes £45**

Using a combination of key vitamins, herbs and botanicals with anti-bacterial products, the Pharmagel Acne Treatment Facial calms and heals the skins condition preventing further breakouts. Use the home care regime to maintain the repair process.

### **Brightening Treatment 60 minutes £45**

A rare variety of fading ingredients combined with vitamins are used in this treatment. Targeting those with uneven skin tone and discolouration, this treatment is designed as a treatment to be used in combination with the home care regime for quicker results and long term effects.
